CAREERS & FURTHER STUDIES GUIDANCE FRAMEWORK

By Careers & Guidance Team

OBJECTIVE

To equip students at different stages with knowledge of their own personalities, pathways for further studies and the most updated information of careers through a wide range of activities.

JUNIOR FORMS / SENIOR FORMS

CLASS TEACHER PERIODS

Class Teacher Periods (CTPs) are allocated for introducing topics related to personal growth of students, subject selection (for Form 3), JUPAS and further studies.

ALUMNI SHARING KNOWLEDGE PROGRAM

We invite alumni from different fields to share their career experience and give valuable advice to students on how to get prepared for future career development.

[\[for more details\]](#)

SPECIAL ACTIVITIES

We arrange different kinds of visits for students to know the operation of companies. Students can also have a taste of the workplace through various job shadowing programs.
